Subject: Formal Release of Notice of Intention to Mine, Lime Peak
Quarry/Fitchville Quarry, S/049/044, Utah County, Utah

Dear Mr. Anderson:

On April 22, 2004, the Division Director sent a letter to Zions First National Bank authorizing full release of your \$5,000 Certificate of Deposit which you posted for the Lime Peak Quarry and Fitchville Quarry sites. This determination was made after an April 14, 2004 inspection verifying that no mining related disturbance had been created by Anderson Engineering at the Fitchville Quarry site.

Effective April 8, 2004, Atlantic Richfield Company took over the Lime Peak Quarry portion of this permit. Anderson Engineering Company, Inc., is hereby fully released from any further mining or reclamation responsibility for the Lime Peak Quarry/Fitchville Quarry permit #S/049/044. The Fitchville Quarry area has officially been dropped from the permit, only leaving the Lime Peak Quarry, which Atlantic Richfield Company is fully responsible for.

Please do not hesitate to contact me or Lynn Kunzler if you have any concerns regarding this letter. It has been a pleasure working with your company.

Sincerely,

D. Wayne Hedberg,
Permit Supervisor
Minerals Regulatory Program
